Looking for Things to Do This Weekend? Here's Where to Go (and What to Wear)

BY LILAH RAMZI

June 25, 2021

Not long ago, you might have found yourself all dressed up with nowhere to go. Or, more likely, you weren't dressed up at all. But that was then, and this is now—and looking ahead the cultural calendar is quickly filling up with openings and exhibitions.

Flamingo Resort, Santa Rosa, California

Open now

In 1957, the Flamingo Resort arrived in Sonoma wine country in a Googie-like, mid-century building. It's since been delightfully refurbished, with elements of its original façade intact, and reopened this spring as a 170-room resort. Should you feel the need to incorporate the hotel mascot into your vacation looks, we wouldn't blame you. Alice + Olivia makes a festive flamingo-print shirt, and the pink bird also makes an appearance on a sweet canvas tote bag from Mansur Gavriel. Make it really 1950s with a midi-length skirt from Mes Demoiselle and a pair of red cat-eye sunglasses from Junia.
